Brown Act Reminder: The League of California Cities' Board of Directors has a policy of complying with the spirit of open meeting laws. Generally, off-agenda items may be taken up only if:

1) Two-thirds of the policy committee members find a need for immediate action exists and the need to take action came to the attention of the policy committee after the agenda was prepared (Note: If fewer than two-thirds of policy committee members are present, taking up an off-agenda item requires a unanimous vote); or

2) A majority of the policy committee finds an emergency (for example: work stoppage or disaster) exists.

A majority of a city council may not, consistent with the Brown Act, discuss specific substantive issues among themselves at League meetings. Any such discussion is subject to the Brown Act and must occur in a meeting that complies with its requirements.
